FEARLESS FUTURES

INSPIRING SOLUTIONS:
2025 HANDBOOK

BE FEARLESS BUILD THE FUTURE

At GSNN, we believe students are solutionaries:
young leaders ready to face the world's toughest challenges with courage and creativity.

The Fearless Futures Campaign was born from a simple truth: today's challenges can spark fear, but they can also spark action.

This short handbook highlights a few of the fearless, inspiring actions **your support makes possible.**

FAYETTE COUNTY PUBLIC SCHOOLS

KENTUCKY

Fayette County Public Schools partnered with GSNN to bring their sustainability vision to life—connecting everyday school practices with their district mission. Through systems thinking and strategic coaching, district leaders embedded sustainability into decision-making, professional learning, and school culture.

LAGUNA BEACH UNIFIED SCHOOL DISTRICT

CALIFORNIA

At Laguna Beach Unified, sustainability is student-powered. Green Teams across all schools lead initiatives, from zero-waste lunches to local policy advocacy, turning classroom learning into action. Guided by the GreenPrint framework, students build real-world leadership skills from composting in kindergarten to climate justice projects in high school.

PORTLAND PUBLIC SCHOOLS

OREGON

With GSNN's partnership, Portland Public Schools aligned curriculum with climate literacy, environmental justice, and the district's Portrait of a Graduate. Educators piloted new tools and created a two-page template that helps teachers enhance lessons meaningfully and sustainably, offering a replicable model for other districts advancing climate-focused learning.

ZUNI PUBLIC SCHOOLS

NEW MEXICO

For over eight years, Zuni Public Schools and GSNN have worked together to integrate A:Shiwi Core Values across learning. This collaboration connects culture, mental health, and environmental stewardship through GSNN's GreenPrint systems. By aligning their Graduate Profile with CASEL competencies, Zuni fosters students who are grounded, resilient, and community-minded.

HOPE GROWS WHEN WE ACT TOGETHER
